November Meetings

Wednesday's Coffee meeting was not facilitated by FIP due to prior commitments with Macarthur District Temporary Family Care's AGM at the Campbelltown RSL. They mentioned Families in Partnership several times and I was honoured to be the returning office this year.

Thursday night we had 3 mums attend and over a coffee and biscuit they all shared some of the lighter moments of life with an Aspie, these mums are part of our regular group and it was great to see the chat continue on into the car park. We looked at a short computer presentation on Autism Spectrum Disorder which is helpful to parents and teacher's (<http://www.autismhelp.info/main.htm>). There was information on several other websites that looked quite interesting and all mums took home a care pack.
